TLP Core Principles
HOST TLP is governed by five core principles.

IMMEDIACY
Your needs will be addressed as quickly as possible. You can talk to our staff and ask for support anytime.

SANCTUARY
TLP is meant to be a safe place for all. We are all committed to maintaining an environment where everyone can feel secure, build trust, and be free of abuse and negative pressure.

VALUE COMMUNICATION
You will work to develop a healthy set of personal values. Honesty, caring, accountability, and mutual respect are values that we all strive to live by and model.

STRUCTURE
Schedules and rules help bring predictability and stability to our lives. The process of setting structure is built into each phase of TLP. As you move through each phase, you will become responsible for managing your own schedule.

CHOICE
We support your right and responsibility to make choices for your own life. We will support you in exploring your options, as well as the potential outcomes of your choices.
