

Patient Portal

How to Log in

To log in to your Patient Portal, please go to this website: www.nextmd.com

or

use the Patient Portal link posted on our Northwest Human Services website at www.northwesthumanservices.org

Note: With the Patient Portal update on 11/17/18, the security question is no longer needed to log into your account.

Welcome to Patient Portal, Your Medical Home on the Web

With Patient Portal, you can connect with your doctor through a convenient, safe and secure environment.

The NextGen Patient Portal website has been updated. The update will improve the sign-on process, simplify credential resets and enhance security. As a result, you may be asked to set up a new user name or password, select security questions & answers and validate an account email. We apologize in advance for any inconvenience as we work to improve your Patient Portal experience.

Log into Patient Portal

Username

Verify your account

Due to updated security requirements, we are asking our users to validate their account information

[START](#)

FRAUD WARNING

Any person who knowingly with the intent to defraud any medical agency by concealing and filing false information for medical care or treatment may be found to have committed a fraudulent act which is a crime and may be subject to criminal and civil penalties.

- You will select five security questions and answers that will be used during any other password reset you request.

Verify your account

Please select five unique security questions, then enter your answer for each.

* Security question 1

* Answer 1

* Security question 2

* Answer 2

* Security question 3

* Answer 3

* Security question 4

* Answer 4

* Security question 5

* Answer 5

- Set up an account email that will be used for account notifications and credential resets.

Your chart will display:

Welcome to the Patient Portal!

Use the tabs at the top of the screen to navigate your Patient Portal account.

Please note that the Personal Health Record available from the Patient Portal is limited. For more detailed health information, a signed release of information must be on file with our medical records department.

The screenshot shows the Patient Portal interface for Northwest Human Services, Inc. The top navigation bar includes links for HOME, MAIL, SCHEDULE, MY CHART, PAYMENTS, PATIENT EDUCATION, and SETTINGS. A search bar is located in the top right. The main content area is divided into several sections:

- Practice Information:** Welcome to your Northwest Human Services Patient Portal. Includes contact information for Northwest Human Services, Inc. (http://www.northwesthumanservices.org, 503-378-7526) and a message about behavioral services.
- Inbox:** Compose an Email. Lists recent messages from Northwest Human Services, Inc. regarding personal health records.
- Upcoming Appointments:** Schedule an Appointment. Message: "For appointment information, please contact your physician's office."
- Reminders:** There are no reminders.
- Results:** Table showing test results for Patient Test.
- Medications:** Table showing medication information for Patient Test.
